

## LOYALTY PROGRAM

From time to time people (this may include people registered with Think Recruitment, working for Think Recruitment or are in some way associated with Think Recruitment, but not restricted to those categories) provide information or leads that Think Recruitment could turn into business. This may be:

- 1. A friend or relative who is looking for work and is not registered with Think Recruitment. Our opportunity is to place that person into one of our vacancies.
- 2. A company that has, or may have a vacancy coming up that we do not know about. It may even be that one of our competitors is recruiting for that position.
- 3. We cannot accept nominations where an employee nominates their current employer as this would be a conflict of interest.

In both cases, if you inform us of the opportunity, and we get more than 140 hours business from that opportunity within 2 consecutive months, we will thank you with a \$200 bonus (less superannuation and tax if applicable).

Very simple, complete the form below and bring it in or fax it to the number below or email to <a href="mailto:apply@thinkrecruitment.com.au">apply@thinkrecruitment.com.au</a> or phone Think Recruitment on the number below. **WE'LL DO THE REST.**
